Parent Handbook Agreement

As a parent you are responsible for all the information contained in the school handbook. Please take the time to read through the policies and procedures. You may want to mark or underline those areas that are particularly significant for you and your child, as well as the tuition payment schedule. Review those areas and procedures that are important for your child's success. You need to have a clear understanding of the expectations of Covenant Preschool and Parent's Day Out. You will be responsible for these expectations and information. As the year progresses, many of the answers to your questions will be found in the handbook. If you are unable to find your answer, unclear of what is being said, or want further clarification, please call on us. After reviewing the handbook, it is necessary that each of you sign below to signify that you have read and understood stated policies and procedures contained within. Please sign the agreement and return that portion to the preschool office on the first day of class for your child.

(Cut and Return)

I, as a parent/caregiver of a Covenant Preschool and Parent's Day Out student, have read and agree to abide by the Covenant Preschool and Parent's Day Out handbook.
