M/W/F & M-F Pre-K

When dropping children off and when picking children up—Please have your sign hanging front facing. I need to be able to see so that I can radio staff as children are entering and exiting the building. HUG the perimeter of the Coldwater side of the building and follow the lead car closely. Be sure to pull forward enough so that the child/ children exiting the vehicle will be at the sidewalk ramp—not walking through the grass area.
