- ◆ Please plan on attending the conference without your child or siblings (babies in strollers are the exception)
- ◆ Be prompt so that our conferences remain on schedule. If you have to cancel, please call or text the preschool so the teacher can be notified. 260-443-4660
- ◆ Registration forms for 2020-2021 will be available in the preschool office from Margo. We will be accepting forms and deposits for siblings also on this day if you would like to finish paperwork early.
- ◆ Remember—the first week is only current families & church members. **Return your form and deposit quickly to assure your spot—we have had current families lose**

Spring Fun Photos—It's a Fundraiser!

Wednesday, March 4 & Thursday, March 5 Inter-State Studios will be here to take photographs. Spring photos are different than the fall school photos. Everyone will have their photograph taken and then a proof will be sent home with an order form so you can preview the pose before you purchase. These are full body poses so feel free to have your child wear a special outfit or bring in an item to be included in the photograph. For every photo package purchased, the school will receive a 25% profit. This is an easy way to help Covenant Preschool fund our Scholarship Program.
